

14th March 2011

Dear Parents

The following suggestions were raised at the recent coffee morning:-

- **Lessons for parents in English and Maths for KS2**

Could those parents who would like more information regarding English and maths fill in the attached slip and we will do our best to organise some sessions to support you in this.

- **Maths terminology for Year 1 and 2**

Please see Mr Stewart who has some booklets which will provide you with this.

- **Transition meeting for children moving from KS1 to KS2**

This will be arranged during the Summer term, look out for the date.

- **More regular homework**

Please see our homework policy on the website or hard copy in the school entrance – we will be discussing this at our next coffee morning.

- **More information regarding topics being taught and literacy and numeracy focus**

The school staff are working together during Inset days and over the Summer term to put together our long term planning so we will be able to provide you with a comprehensive plan of what we are teaching in school starting in September 2011.

- **More information about the levels the children are working at**

Each classteacher has a comprehensive tracking system regarding the National Curriculum levels at which your child is working. These can be shared and discussed with you at any time.

- **Both parents evenings private to enable a proper discussion**

Our open evening during the Autumn term is an additional evening intended for parents to relax, look around the school and chat generally to the teachers. Should you wish for a more private discussion during that evening please request it.

-2-

The coffee mornings are proving to be a popular informative event and I hope you are all enjoying them. I do appreciate that not all parents are able to come along and will always publish the consultation focus prior to the morning. If you wish you can then write or phone in your ideas or thoughts on the subject.

Our next consultation is **homework** – How much? How little? Not enough? Too much?..... with an opportunity to taste some school dinners.

Only two parents requested a session on e-safety and this is not enough to ask a consultant in to deliver, however if those parents have any questions Mr Stewart can help.

.....

KS2 Maths

I would like help with KS2/KS1 Maths

I would like help with KS2/KS1 English

As soon as we have a list of names I will find out which areas you wish to specifically cover and then organise some sessions for you.

Yours sincerely

Christine Wilson
