Dear Parents

I hope you all enjoyed the fantastic weather we had during the Easter holidays-it was really great to be out and about in the fresh air. We have a very short half term ahead of us but will be packing in lots of events during that time. Fingers crossed the good weather continues for us all!

Christine Wilson

Headteacher

Y5/6 Trip

To round off the theme of mountains we are planning to take the children up Dufton Pike (weather permitting) in order that they can experience climbing "a mountain". More information will follow soon

Y5/6 Sex/Relationships Education

We have arranged 3 one hour sessions for the children in Y5/6 in June delivered by the school nurse - more information for parents will follow.

	Appleby – Y5/6
23 rd June	Kwik Cricket T'ment
	Y5/6 girls
20 th June	Leavers Assembly
	2.00 p.m.

Non-Uniform Day - 6th May

Next Friday we are holding a non-uniform day to support the community with their Make, Bake and Grow event on 14th May. Rather than contribute £1 for the day could you please donate a small raffle prize for the event which can be made up into hampers. We did this last year and they were extremely popular. The school also received a substantial contribution from the event so your support would be appreciated.

Thank you

School Dinners

The school will continue to subsidise school dinners as much as possible but unfortunately we have to increase the cost to £1.90 in September which is still low compared to other schools in the area.

School Uniform

Order your uniform before 10th June to receive it before the end of the term.

After School Club

The club continues to be very popular with the children and is well attended.

- **This half term the children will have cooking activities and free choice either in or outdoor-cross stitch will still be available.**
- **Could you please note that if your child joins after school club at 4.00 p.m. due to attending another club you will be charged 50 pence.**
- **In September attending the club will cost £1.50 per session which still remains excellent value for money.**
